Hi Hernando,

I want to tell you that the Zenu issue has grown a lot and our sales people are seeing the product in many supermarkets, and not just the beans line but all the cold cuts too. In addition to the Zenu brand, now we are seeing they are also using Rica Rondo.

I will send some photos for your records.

Here I've attached pictures of zenu and rica in the maryland area.

Best,

Luis, thank you very much for this information. It fits in with a digital customer's report that we forwarded to Legal, where a NY customer was complaining about the service of our Distributor in Miami, which we do not have, but this matter is more complex than we imagined.

We will copy Legal immediately.

Thanks a lot and best wishes.

Best regards,

I also asked the cashiers if the product was selling well and

they happened to be Colombian, and they told me that consumers were very happy because they see they can now purchase Zenu products in the USA, since it is the leading brand of canned beans.

Hola Hernando:

Te cuento que el tema de Zenu se ha incrementado mucho y nuestra gente de ventas esta viendo el producto en muchos supermercados y ya no solo con la linea de frijoles sino con todo el tema de embutidos. Adicional a la marca zenu estamos viendo que ahora tambien estan usando Rica Rondo.

Te voy a enviar fotos para tus registros.

En este te estoy enviando fotos de zenu y rica en el area de maryland.

Luis, muchas gracias por la información, coincide con un telecliente q pasamos a Jurídica, donde una cliente de NY se quejaba del servicio de nuestro Distribuidor en Miami, el cual no tenemos, pero este tema es más complejo de lo q nos imaginábamos

Ya mismo copiamos a Jurídica

Mil gracias y un abrazo

coincidentalmente eran Colombianos y me dijeron que estaban muy contentos los consumidores porque estan viendo que ya pueden comprar los productos de Zenu en USA ya que es la marca lider de los frijoles enlatados.
